

# Parkinson Canada

# SERVICES FOR YOU

Toll-free information and support line for personalized service  
1-888-664-1974.

In-person or virtual peer support through one on one or community  
support groups.

Educational webinars for the Parkinson community.

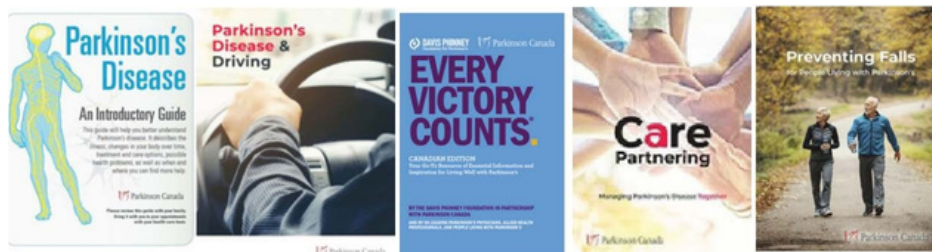

CareFinder directory to find Parkinson's informed services and programs.

Research funding to advance treatments, improve quality of life for the  
Parkinson's community, and contribute to the global quest for a cure.

Federal, provincial and territorial advocacy to ensure government policies  
and programs reflect the needs of the Parkinson's community.

Digital and printed educational resources.

We work to empower the Parkinson's community through tailored support, innovative research, and raising the voice of all who are impacted by Parkinson's.
