PARTICIPANTS NEEDED

We are looking for individuals diagnosed with Parkinson's Disease who:

- **Can identify the side of body in which their symptoms originated**
- **Are currently prescribed an antiparkinsonian drug regime**

Participation will involve a questionnaire and multiple measures of cognitive functioning which will take approximately 1 hour.

Participants will receive \$50 in compensation for completion of the study.

For more information, please contact Sarah Gulash at skg118@uregina.ca or Austen Smith at (306) 585-4297
